GENERAL

Copies

public50 cents per page**

The County may charge a fee for the actual cost of time spent in researching (salary plus benefits) plus fifty (50) cents per page if significant employee time is involved such that the fifty (50) cents per page fee would not reimburse the county for the actual cost of researching the request.

**With the exception of the Clerk's office. That fee is set by ORS 205.320(4)(c) at 25 cents per page.
