3. The Board of Commissioners shall initiate an ordinance amendment.

SECTION 1.1.900 STATEMENT ABOUT REQUIRED DOWNZONING:
1. The Board of Commissioners declares that some of the downzoning produced by the establishment of zoning districts set forth in this Ordinance is the sole result of confiscatory conservation mandates imposed on Coos County by the Oregon Land Conservation and Development Commission (LCDC).
2. Required downzoning will, in some cases, result in undesirable adverse consequences on the Coos County tax base; the Board of Commissioners is philosophically opposed to these adverse consequences.
3. Recognizing the severe restrictions imposed on the use of some private property by this Ordinance because of LCDC mandates, the Board of Commissioners declares that the State of Oregon should bear the financial burden of defending any taking suits stemming from this Ordinance; further, the State should pay any judgements resulting from such suits.

SECTION 1.1.975 VESTED RIGHTS: A parcel shall be considered vested for completion of the construction of a nonconforming use when an administrative conditional use is granted, based on findings establishing:
1. The good faith of the property owner in making expenditures to lawfully develop his property in a given manner;

3. The extent to which the expenditures relate principally to the use of an applicant claims is vested, rather than to ancillary improvements, such as but not limited to roads, driveways, which could support other uses allowed as of right;
4. The extent of the purported vested use as compared to the uses allowed in the subsequent zoning ordinances;
5. Whether the expenditures made prior to existing zoning regulations show that the property owner has gone beyond mere contemplated use and has committed the property to the purported vested use which would in fact have been made on the subject property but for the passage of the existing zoning regulation; and

1. No permit or verification letter shall be issued by the building official or the County Planning Department for the construction, erection, location, enlargement, or the change of the use of a building, structure, or lot that does not conform to the requirements of this Ordinance, unless otherwise permitted by this Ordinance.

If the decision upon which the verification letter is based on is reversed on appeal, the verification letter shall be revoked without further action. The applicant therefore shall recognize and consent to the fact that any improvements made on the property to which the verification letter applies are made at the applicant’s own risk, and shall agree that no attempt will be made to hold Coos County responsible in the event that removal of such improvements become necessary due to the revocation of the verification letter or permits.

SECTION 1.3.225 VIOLATION PROCESS:
1. Violations may be reported by completing a violation form. The violation form must include the following information:

Applications submitted to correct violations shall submit the “late filing fees” set forth at Section 1.3.825 of this Ordinance.

In the event the property owner submits a written explanation to the notice, the Planning Director shall thereupon give careful consideration to the response in conjunction with other relevant evidence, including other written comments received in response to landowner or agency notice, to determine whether revocation should occur.
   c. At the conclusion of the Director’s review, the Director shall enter findings of the decision and mail notice of the decision regarding revocation to the property owner and other parties to the action. The notice shall explain basic appeal rights.
   d. No revocation shall be final until the appeal period for the decision to revoke has expired without appeal.

3. The Director’s decision regarding the revocation of a permit or verification letter may be appealed pursuant to the procedures contained in Article 5.8 governing the appeal of administrative decisions. In the event of an appeal, any revocation shall be automatically stayed pending review.

STORAGE AND TREATMENT OF OIL CONTAMINATED SOIL: Coos County recognizes that the Oregon Department of Environmental Quality (DEQ) is responsible for ensuring compliance with state and federal clean air and water quality statutes, including those pertaining to the storage and treatment of oil contaminated soil. Coos County does not regulate storage and treatment of oil contaminated soil except where such contaminated earth is processed as "contaminated soil land farming" and classified as a use that may be permitted in certain zoning districts.

Any decision by Coos County to allow "contaminated soil land farming" at a given location does not relieve DEQ of its duty to ensure that the proposed activity is environmentally safe. The County specifically defers to DEQ for the determination that use of any site for storage and treatment of oil contaminated soils is environmentally safe and that placement of oil contaminated soils on the site will result in no adverse environmental or health consequences to groundwater and nearby properties.
