Subject: Gonorrhea Testing Available

Coos County Public Health is offering gonorrhea testing at a discounted price of \$25 during the month of January.

Cases of gonorrhea in Coos County have nearly doubled from 2012 to 2013. Gonorrhea is a sexually transmitted infection and if not treated, can lead to infertility, especially in females. Those at highest risk are persons with many sex partners or who have sex without a condom.

To schedule an appointment for gonorrhea testing, call Coos County Public Health at (541) 751-2400.
