

California Oregon Regional Search and Rescue Task Force (CORSAR)

The CORSAR concept stemmed from a joint Mission Debriefing on December 8, 2006, to evaluate how to better provide for regional communications and public assistance during major or extended search and rescue missions. The CORSAR group recognized that it needed to formalize inter-relationships and move together jointly to enhance mutual operations.

This group includes: Jackson County, Douglas County, Josephine County, Klamath County, Curry County, Coos County, Oregon State Police, Siskiyou County, Del Norte County, Bureau of Land Management, US Forest Service, Brim Aviation, Crater Lake National Park Service, American Red Cross, and Civil Air Patrol.

Our mission is to foster regional communications to provide and coordinate personnel, equipment, education, and training for the effective delivery of Search and Rescue services in the Southern Region.

The CORSAR team will provide trained search and rescue personnel, search management, and other related resources to federal, state, and local authorities to further safeguard and save lives.

**SEARCH
& RESCUE**

...that others may live.

Deputy Tony Watson, SAR Coordinator
(541) 396-7845

Coos County Sheriff's SEARCH & RESCUE

OUR VOLUNTEERS ARE TRAINED IN THE FOLLOWING AREAS:

- Land Navigation - Maps
- Land Navigation - Compass
- Land Navigation - GPS
- Man Tracking
- ICS - Incident Command System
- First aid - CPR
- Survival Skills and much more

VOLUNTEER OPPORTUNITIES

Gain expert training and help save lives in your community and beyond.

Volunteer your time in the following areas to help support this vital service:

- Command Center Support
- Ground Search
- Dog Team
- Rope Rescue
- Community Events
- Grant Writing

Most importantly, dedication to the lost or missing person for whom you will search, "so that others may live."

The goal of SAR is to locate, stabilize and extract individuals in distress. That can mean a hiker on the side of a mountain, a trapped disaster survivor, or an Alzheimer's patient wandering city streets.

Coos County Search and Rescue Volunteers believe in giving back to the community and do so through our Search and Rescue Missions, our extensive training, and in our Community Event participation. All of us strive for excellence in our performance and in doing so, greatly enhance our community.

Our volunteers depend on your donations!

Donations may be sent to:

**Coos County Sheriff's Search & Rescue
