

6-36R REASON FOR DEMANDING RECALL OF COUNCILOR TIM CROCKETT AS PROVIDED ON RECALL PETITION:

Failure to conduct himself in a professional manner conducive of a representative of the City of Lakeside. Inability to work with the newly elected council, withholding critical information from the public and putting the city in jeopardy, thus failing to provide fair and open government. During his current term has been found guilty of government ethics violation by using or attempting to use his official position to gain a financial benefit for himself or a relative.

JUSTIFICATION STATEMENT AS PROVIDED BY TIM CROCKETT:

I only have a few words to write to inform you the voters of the facts as the truth reveals them. Yes, I hired my boy to get a yard cleaned up. I didn't know or think at the time that this was wrong. The job just needed done. I was fined \$180.00 for cleaning up that lot. I don't know all the rules, I do know when a person needs a helping hand, and by giving a helping hand I plead guilty. Theodore Roosevelt said: "Who errs, who comes short again and again, because there is no effort without error and shortcoming, but who does not actually strive to do the deeds, who knows great enthusiasm, the great devotions, who spends himself in a worthy cause."

I hope to continue to be worthy of your trust.
