Flares

Medical Waste/Sharps  
Radioactive Waste

For Asbestos & Sharps: please contact  
Curry Transfer & Recycling

### FREE Mercury Thermometer Trade-in

Bring in your mercury fever thermometer to the HHW event and get a new digital thermometer for FREE!

Help us get mercury out of your home and the waste stream.

Limit 1 replacement thermometers per household (while supplies last).

### HOW TO BRING YOUR HAZARDOUS PRODUCTS TO THE EVENT:

Products should be left in their original container.

Label materials not in their original container only if you are sure of the contents.

Please do not mix products together. Dangerous reactions can occur when some materials are mixed.

Make sure containers are properly sealed so they won't leak or spill. If a container is leaking, secure it in a secondary leak-proof container.

Transport in a sturdy box or tub in your trunk or truck bed.

Containers, including gasoline cans, can't be returned to you, so make sure you don't need them for future use.

Please do not put items in plastic bags.

Bring in any of the items listed and we will dispose of them for you in a manner friendly to the environment.
