

Tutorial - Is your TAX CODE AREA within a City or an RFPD:

For example, if you want to know if you're inside or outside the city limits of Lakeside...

Go to the [Assessor's online Account Search](#).

- Put in the house number (you may or may not need to put in the street name) and choose from the resulting list of properties.
- Or, if you know the owner's last name, put that in. No need to use the first name; just pick the file you're interested in from the list that pops up.

Once your desired Summary Page is displayed, look in the top left corner as highlighted. **The third item is Code-Tax #.** Two examples:
