Background and description of need or problem: The County's core network switches (2) have reached end of support. The core switches connect the Internet to our servers, storage and internal network. They are essentially the backbone of our infrastructure. We budgeted to purchase replacement switches this year. I intentionally waited until the end of the fiscal year, just in case something else failed and needed to be replaced. As we are nearing the end of the fiscal year and the funds are still available, I would like to proceed with the planned purchase. COOS COUNTY HUMAN RESOURCES POLICY FMLA/OFLA TRACKING

Effective July 1, 2024

Pursuant to the requirements of Senate Bill 1515 signed by Oregon's Governor on March 20, 2024.

This Policy hereby gives notice that effective July 1, 2024 the County shall use a rolling "measure forward" method to track usage under the Oregon Family Medical Leave (OFLA) and Family Medical Leave (FMLA). The method will be used to track protected leave an eligible employee is entitled to within a given one-year period. The rolling "measure forward" leave year is defined as a consecutive 52-week period beginning on the Sunday immediately preceding the date on which the FMLA/OFLA leave commences.

Prior to July 1, 2024, the County shall continue to use the 12-month rolling backwards measure to track leave under FMLA and OFLA, which means that each time an employee takes leave, the remaining leave entitlement would be any balance of the 12 weeks which has not been used during the immediately preceding 12 months.

DATED THIS	_ day of	, 2024.
