

Explanatory Statement

Approval of this measure would prohibit the establishment and licensing of psilocybin product manufacturers and psilocybin service center operators within the unincorporated areas (outside city limits) of Coos County.

Under State law, a county may adopt an ordinance prohibiting the establishment of psilocybin related businesses within the unincorporated areas of the county, but the ordinance must be referred to the voters at the next statewide general election. The Coos County Board of Commissioners has adopted Ordinance 22-07-005L prohibiting the establishment of psilocybin-related businesses within the unincorporated areas of Coos County and, as a result, has referred this measure to the voters. If approved, this measure would prohibit psilocybin-related businesses within Coos County's unincorporated areas.
