Summary 175 words which concisely and impartially summarizes the measure and its major effect.		
<p>The City of North Bend is seeking a five-year local option tax rate of \$0.56 per \$1,000 of assessed value beginning 07/01/2021 to fund the North Bend Municipal Pool operations and maintenance.</p> <p>The levy is necessary to re-open and operate the North Bend Municipal Pool. The levy would restore services cut in prior years due to budget constraints. Restoration of services includes replacing damaged equipment, increasing pool hours, and adding back programs. The planned expansion of services includes new equipment to support additional recreation programs. A stable funding source for operations and maintenance would justify the City investing in pool capital improvements necessary to extend the life of the 65-year-old facility.</p> <p>Collected funds shall be dedicated to the North Bend Municipal Pool and shall not be used for any other purpose. The tax is in addition to the user fees charged.</p> <p>If the levy fails, the North Bend Municipal Pool will be unfunded and remain closed.</p> <p>A homeowner with an assessed value of \$170,000 in year one of the levy will pay approximately \$101 annually. The proposed rate will raise approximately: \$370,804 in 2021–2022, \$395,201 in 2022–2023, \$405,836 in 2023–2024, \$416,756 in 2024–2025, and \$427,970 in 2025–2026, for a total of \$2,016,567.00.</p>
