

# BECOME A VOLUNTEER

## TO HELP CRIME VICTIMS!

The Crime Victims' Assistance (CVA) Program for Coos County assists victims while their cases move through the court.

See yourself in one of these meaningful roles...

### Office Assistant

Badly needed, they are the backbone of every organization! CVA Office Assistants do more than answer phones and transfer calls.

### Court Navigator

Crime personally and deeply affects victims. Accompanying victims to court can provide strength, courage and confidence.

### Advocate Support

CVA Victim Advocates are multi-task masters, yet even they can use an extra pair of hands. Help is ALWAYS needed.
