 1. The applicant shall submit an application requesting an extension to the County Planning Department prior to expiration of the final decision. See Section 5.0.250 for time lines for final decisions. Untimely extension requests will not be processed.
 2. Upon the Planning Department receiving the applicable application and fee, staff shall verify that the application was received within the deadline and if so issue an extension.

 2. The applicable residential development statute has not been amended following the approval of the permit; and
 3. An applicable rule or land use regulation has not been amended following the issuance of the permit, unless allowed by the county, which may require that the applicant comply with the amended rule or land use regulation.

- (2) Permits approved under ORS 215.416, except for a land division and permits described in Subsection (1)(a) of this section, for agricultural or forest land outside an urban growth boundary under ORS 215.010 to 215.293 and 215.317 to 215.438, or under county legislation or regulation adopted pursuant thereto, are void two years from the date of the final decision if the development action is not initiated in that period.
 - a. Extensions for Non-Residential Development as described in Subsection (2) above may be granted if:

(4) Changes or amendments to areas subject to natural hazards^[2] do not void the original authorization for a use or uses, as they do not determine if a use can or cannot be sited, but how it can be sited with the least amount of risk possible. Overlays and Special Development Considerations may have to be addressed to ensure the use can be sited with an acceptable level risk as established by Coos County.

^[2] Natural hazards are: floods (coastal and riverine), landslides, earthquakes and related hazards, tsunamis, coastal erosion, and wildfires.
