STAFF REPORT
FINDINGS OF FACT AND CONCLUSIONS

I. PROPOSAL AND BACKGROUND/PROPERTY HISTORY INFORMATION:

A. PROPOSAL: The adjoining property owners have requested the common boundary between tax lots 100 in Section 10 and 302 in Section 11 be adjusted to follow the creek. This will make it easier to manage the land. See Exhibit E for the full application request.

B. BACKGROUND/PROPERTY HISTORY:

29S131000-00100 – Background - Tax lot 100 is developed with a 1980 Single Family Dwelling and 320 square foot accessory structure. There was another accessory structure sited on the property (approximately 1800 square foot) without permits as discussed in the timeline below.

Land Use Permit Time Line:

- On October 10, 1977 a Zoning Verification Letter was issued to construct single family dwelling. Site mobile home while building dwelling and then mobile home to be removed. The property was noted as having two existing structures. At that time it was determined that this unit of land was a discrete parcel from Township 29S Range 13W Section 03 Tax Lot 300 pursuant to deed document # 77-8-14158. It was noted later that the County Road acreage was removed reducing the property size by 1.79 acres *see 6-7-79 note in tax lot book.*
- 2015 structure shows on tax assessment - Need proof of existence or after-the-fact for agricultural or accessory structure permit.
- On February 26, 2020 the property owner obtained an application for the agriculture structure. The formal application was received on April 22, 2020 and as a result of this application a Conditional Zoning Compliance Letter (ZCL-20-132) was issued for an After-the-fact clearance to site an AG structure, this structure shall not be used for habitation, commercial or industrial uses. No other development is permitted. Development is outside of the floodplain. Any future development will require that a Geological Assessment be performed on the property by a licensed Geological Engineer.
- On March 25, 2020 the Property Line Adjustment Application (PLA-20-006) was submitted. The application was found to be complete on April 24, 2020.

29S131100-00302- Background – This property is developed with a dwelling, historical structure used accessory to the primary dwelling, and detached accessory structures. All development is consistent with permits listed out under timeline:

Land Use Permit Time Line:

- June 5, 2008 a Zoning Compliance Letter (ZCL-08-227) was approved to replace existing dwelling with a single family dwelling in a new location outside the established natural hazard area. To have site evaluation and install septic for the new dwelling. The applicant must render existing 1900 dwelling uninhabitable upon completion of new dwelling as this property is not permitted to have a second dwelling. Clearance to inhabit existing dwelling during construction of new dwelling and construct an accessory structure.

- On March 25, 2020 the Property Line Adjustment Application (PLA-20-006) was submitted. The application was found to be complete on April 24, 2020.

II. **BASIC FINDINGS:**

A. LOCATION: The subject properties are located northwest of the City of Myrtle Point off of Hall Creek Lane.

B. ZONING: - This subject properties are zoned Forest with a Mixed-Use Overlay.

ARTICLE 4.2 – ZONING PURPOSE AND INTENT

SECTION 4.2.500 RESOURCE ZONES

Forest (F): The intent of the Forest District is to include all inventoried "forestlands" not otherwise found to be needed (excepted) for other uses.

The purpose of the Forest zone is to conserve and protect forest land for forest uses. Some of the areas covered by the "F" zone are exclusive forest lands, while other areas include a combination of mixed farm and forest uses.

Forest Mixed Use (FMU): The purpose of the Forest Mixed Farm-Forest Areas ("MU" areas) is to include land which is currently or potentially in farm-forest use. Typically, such lands are those with soil, aspect, topographic features and present ground cover that are best suited to a combination of forest and grazing uses. The areas generally occupy land on the periphery of large corporate and agency holdings and tend to form a buffer between more remote uplands and populated valleys. In addition, these "mixed use" areas contain ownership of smaller size than in prime forest areas. Some are generally marginal in terms of forest productivity, such as areas close to the ocean.

If land is in a zone that allows both farm and forest uses, a dwelling may be sited based on the predominate use of the tract on January 1, 1993.

If a use is only allowed in the mixed-use zone it will be explained in the text. Otherwise the uses listed are allowed in both the Forest and Forest Mixed Use zones.

C. SPECIAL DEVELOPMENT CONSIDERATIONS AND OVERLAYS:

SECTION 4.11.125 Special Development Considerations: The considerations are map overlays that show areas of concern such as hazards or protected sites. Each development consideration may further restrict a use. Development considerations play a very important role in determining where development should be allowed In the Balance of County zoning. The adopted plan maps and overlay maps have to be examined in order to determine how the inventory applies to the specific site

SECTION 4.11.200 Purpose: Overlay zones may be super-imposed over the primary zoning district and will either add further requirements or replace certain requirements of the underlying zoning district. The requirements of an overlay zone are fully described in the text of the overlay zone designations. An overlay zone is applicable to all Balance of County Zoning Districts and any zoning districts located within the Coos Bay Estuary Management Plans when the Estuary Policies directly reference this section.

No development is part of this proposal; therefore, no Special Development Considerations or Overlays are required to be addressed.

D. SITE DESCRIPTION AND SURROUNDING USES:

Both properties have tree cover with tax lot 100 having a clear area toward the southeast boundary where the development is located. Hall Creek Lane divides tax lot 100 in two parts and the line that is proposed to be adjusted is the north eastern boundary. Tax lot 302 is mostly treed with small clear areas. The development is primarily located toward the northern and northwestern border of the property. This property will be gaining land from the tax lot 100.

E. COMMENTS:

- a. **PUBLIC AGENCY:** Comments were received from both the County Assessor's Office and County Surveyor's Office. *See full comments at Exhibit E.*
 - i. Assessor's Comments:
 1. Taxes are required to be paid in full for tax account 1182203 prior to relocating the boundary line.
 2. Once the property line adjustment is completed tax lot 302 will span two different sections which will create a new tax lot for mapping and tax purposes but there will remain on lawfully create unit of land.
 - ii. Surveyor's Comments: A survey of the property will not be required because each property will remain over ten acres.
- b. **PUBLIC COMMENTS:** This application request did not require any request for comments prior to the release of the decision.
- c. **LOCAL TRIBE COMMENTS:** This application request did not require any request for comments prior to the release of the decision.

- F. **LAWFULLY CREATED UNIT OF LAND:** Tax lot 100 was originally part of Township 29S Range 13W Section 03 Tax Lot 300 but was deeded out in 1977, deed document # 77-8-14158 which is consistent with CCZLDO Section 6.1.125(1)(e). Tax lot 302 was determined to be lawfully created through a prior land use decision which is consistent with CCZLDO Section 6.1.125(1)(b).

III. STAFF FINDINGS AND CONCLUSIONS:

a. SUMMARY OF PROPOSAL AND APPLICABLE REVIEW CRITERIA:

The proposal is for Planning Director Approval of a single Property Line Adjustment. The proposal is subject to Coos County Zoning and Land Development (CCZLDO) Article 6.3 Property Line Adjustments.

b. Key definitions:

ACTIVITY: Any action taken either in conjunction with a use or to make a use possible. Activities do not in and of themselves result in a specific use. Several activities such as dredging, piling and fill may be undertaken for a single use such as a port facility. Most activities may take place in conjunction with a variety of uses.

DEVELOP: To bring about growth or availability; to construct or alter a structure, to conduct a mining operation, to make a physical change in the use or appearance of land, to divide land into parcels, or to create or terminate rights to access.

DEVELOPMENT: The act, process or result of developing.

USE: The end to which a land or water area is ultimately employed. A use often involves the placement of structures or facilities for industry, commerce, habitation, or recreation.

ZONING DISTRICT: A zoning designation in this Ordinance text and delineated on the zoning maps, in which requirements for the use of land or buildings and development standards are prescribed.

c. Criteria and standards for Property Line Adjustments

- **SECTION 6.3.125 PROCEDURE:**

1. *An application for a line adjustment or elimination shall be filed by the owners of all lots or parcels affected. The application shall be accompanied by an appropriate fee and contain the following information:*
 - a. *Reason for the line adjustment;*
 - b. *Vicinity map locating the proposed line adjustment or elimination in relation to adjacent subdivisions, partitions, other units of land and roadways;*
 - c. *A plot plan showing the existing boundary lines of the lots or parcels affected by the line adjustment and the approximate location for the proposed adjustment line. The plot plan shall also show the approximate location of all structures within ten (10) feet of the proposed adjusted line;*
 - d. *A current property report (less than 6 months old) indicating any taxes, assessment or other liens against the property, easements, restrictive covenants and rights-of-way, and ownerships of the property of the proposed development. A title report is acceptable.*
 - e. *A notice of application and decision will be provided to any and all lien holders of record for the property that will be affected by the proposed adjustment. Applicants should consult with any and all such lien holders prior to submittal of an application.*

FINDING: **The application lists the reason for the adjustment is to better manage property. The creek currently divides the northern portion of tax lot 100 making it difficult to maintain.**

A complete application with a plot plan showing the before and after maps as well as a current property report was supplied.

Tax lot 100 has a lien holder through Recon Trust Company, Dallas Texas and tax lot 302 has a lien holder through First Community Credit Union, Oregon, and a copy of this report will be provided to the lien holders. Therefore, these criteria have been addressed.

2. *A line adjustment is permitted only where an additional unit of land is not created and where the lot or parcel reduced in size by the adjustment complies with the requirements of the applicable zone except that a line adjustment for the purpose of exchange or transfer of land between resource land owners shall be allowed so long as:*

- a. No parcel is reduced in size contrary to a condition under which it was formed;*
- b. The resulting parcel sizes do not change the existing land use pattern (e.g. two conforming parcels must remain conforming); and*
- c. Two non-conforming parcels may remain non-conforming; and, two parcels, one conforming and one non-conforming, may remain as such regardless of which parcel is non-conforming after the exchange or transfer)*

FINDING: The parcels do not contain encumbrances that would prohibit the boundary line adjustments. These are both legal non-conforming as they are zone Forest and the minimum lots size is 80 acres. The properties were found to be lawfully created as non-conforming and will remain non-conforming.

Therefore, this request complies with the criteria under this section.

3. *An encroachment of existing or planned structures will not be created within required setbacks as a result of the line adjustment.*

FINDING: No encroachment of existing structures will be created by adjusting the property boundary line. Therefore, this criterion has been met. Any future structures will be required to comply with the setback requirements in the applicable zoning district.

4. *A line adjustment for a lot or parcel that contains a dwelling, not on a public sanitation system, and is less than an acre before the adjustment and further reduced as a result of the adjustment shall obtain documentation from Department of Environmental Quality (DEQ) that the sanitation system will still meet their requirements.*

FINDING: Neither unit of land will be reduced less than one (1) acre. Therefore, this condition does not apply.

5. *In resource lands, a unit of land containing a dwelling, or approved for construction of a dwelling, cannot be adjusted with a vacant resource unit of land for the purpose of qualifying the vacant unit for a 160-acre dwelling.*

- a. A resource unit of land less than 160 acres and containing a (preexisting) dwelling, or approved for construction of a dwelling, cannot be adjusted with a vacant resource unit of land for the purpose of qualifying the vacant unit for a 160-acre dwelling;*
- b. A resource unit of land 160 acres or greater and containing a (preexisting) dwelling, or approved for construction of a dwelling, cannot be adjusted below 160 acres with a vacant resource unit of land for the purpose of qualifying the vacant unit for a 160-acre dwelling;*
- c. A resource unit of land 160 acres or greater and containing a dwelling approved as a 160-acre dwelling, or approved for construction of a 160-acre dwelling, cannot be reduced below 160 acres for the purpose of qualifying the vacant unit for a 160-acre dwelling.*

FINDING: The purpose of the line adjustment is not to qualify a dwelling site. Both properties are developed. Therefore, this criteria is not applicable.

6. *Same Designation: A line adjustment shall only be permitted where the sale or transfer of ownership is made between abutting owners of like designated lands, residential lands, commercial lands, industrial lands, resource lands, and estuary zoned lands unless an existing structure encroaches over an existing property boundary or the boundary line adjustment is required to comply with requirements of the State Department of Environmental Quality for a subsurface sewage system.*

FINDING: Both parcels are within the same Forest Zone district. Therefore, this criterion has been met.

- ***SECTION 6.3.150 EASEMENTS AND ACCESS:***

A line adjustment shall have no effect on existing easements or access. Access shall not be eliminated through a property line adjustment process. If an access is potentially affected, then an easement may be created for access to comply with this criterion.

FINDING: There will be no effect on existing easements. Therefore, this criterion has been met.

IV. DECISION:

The proposed Property Line Adjustment meets the requirements of the Coos County Zoning and Land Development Ordinance, with conditions listed in Exhibit "A" of this report.

V. EXPIRATION:

This is a tentative approval that is valid for up to one year. To finalize this decision the applicant shall comply with the approval and filing requirements found in the conditions of approval in Exhibit "A" of this report once the appeal period has expired and an appeal has not be filed.

VI. NOTICE REQUIREMENTS:

A notice of decision will be provided to property owners within 750 feet of the subject properties and the following agencies, special districts, or parties

A Notice of Decision and Staff Report will be provided to the following: Applicants/Owners, Department of Land Conservation and Development, County Assessor, County Surveyor, Planning Commission and Board of Commissioners and Applicant's Surveyor.

Adjacent property owners will receive a Notice of Decision and maps but all other attachments can be found by contacting the Planning Department or visiting the website. Anyone may contact the department to view the official record.

Subject: RE: Comments on PLA-20-006

Hi Michelle,

My comments on this are:

1. Taxes will need to be paid in full, Tax Account 1182203 still has a balance owing.
2. These properties are on two different maps, due to mapping constraints we may have to create a new tax lot. We will do our best to combine the adjustment without creating a new tax lot.

Thank you!

Introduction

The purpose of a property line adjustment application is to review changes in property lines when no new lots are being created. Property lines may be changed to account for the location of fences, driveways, gardens and buildings. For example, a property owner may discover that a fence is located on a neighbor's property. As a solution, the affected property owners may agree to relocate their property lines. A property line adjustment review is needed to make sure the change is consistent with zoning standards.

In addition to filling out the application form, the applicant needs to draw a plot plan. The plot plan will show the property lines and dimensions, and the location of all buildings, wells, septic tanks and drain field for the parcels which are being adjusted.

The applicants need to submit the application to the Planning Department. Once the application and plot plan are accepted, staff will review the proposal.

A single adjustment of one line between two abutting properties will be approved as an administrative act.

Multiple adjustments between more than two abutting properties will be processed as a land use decision and may be approved as a single application on condition that each adjustment is completed prior to the next, in accordance with ORS Chapter 92.

Approval will become final after the applicant(s) complies with the approval criteria including completion of surveys when required and recording of the property line adjustment deed(s). These must be completed within one year of the approval.

This information is provided as a courtesy and is not intended to replace the provisions of Article 6.3.

The purpose of this adjustment is for land management purposes.

F. Criteria from Article 6.3

ARTICLE 6.3 PROPERTY LINE ADJUSTMENTS

SECTION 6.3.100 PROPERTY LINE ADJUSTMENTS:

As set forth in ORS 92.190(3), the common boundary line between lots or parcels may be adjusted in accordance with this section without the replatting procedures in ORS 92.180 and 92.185 or the vacation procedures in ORS Ch. 368. Once a lot or parcel line has been adjusted, the adjusted line shall be the boundary or property line, not the original line. The Director has authority to approve a line adjustment as an Administrative Action.

SECTION 6.3.125 PROCEDURE:

1. An application for a line adjustment or elimination shall be filed by the owners of all lots or parcels affected. The application shall be accompanied by an appropriate fee and contain the following information:
 - a. Reason for the line adjustment;
 - b. Vicinity map locating the proposed line adjustment or elimination in relation to adjacent subdivisions, partitions, other units of land and roadways;
 - c. A plot plan showing the existing boundary lines of the lots or parcels affected by the line adjustment and the approximate location for the proposed adjustment line. The plot plan shall also show the approximate location of all structures within ten (10) feet of the proposed adjusted line;
 - d. A current property report (less than 6 months old) indicating any taxes, assessment or other liens against the property, easements, restrictive covenants and rights-of-

- way, and ownerships of the property of the proposed development. A title report is acceptable.
- e. A notice of application and decision will be provided to any and all lien holders of record for the property that will be affected by the proposed adjustment. Applicants should consult with any and all such lien holders prior to submittal of an application.
2. A line adjustment is permitted only where an additional unit of land is not created and where the lot or parcel reduced in size by the adjustment complies with the requirements of the applicable zone except that a line adjustment for the purpose of exchange or transfer of land between resource land owners shall be allowed so long as:
 - a. No parcel is reduced in size contrary to a condition under which it was formed;
 - b. The resulting parcel sizes do not change the existing land use pattern (e.g. two conforming parcels must remain conforming; and
 - c. Two non-conforming parcels may remain non-conforming; and, two parcels, one conforming and one non-conforming, may remain as such regardless of which parcel is non-conforming after the exchange or transfer).
 3. An encroachment of existing or planned structures will not be created within required setbacks as a result of the line adjustment.
 4. A line adjustment for a lot or parcel that contains a dwelling, not on a public sanitation system, and is less than an acre before the adjustment and further reduced as a result of the adjustment shall obtain documentation from Department of Environmental Quality (DEQ) that the sanitation system will still meet their requirements.
 5. In resource lands, a unit of land containing a dwelling, or approved for construction of a dwelling, cannot be adjusted with a vacant resource unit of land for the purpose of qualifying the vacant unit for a 160-acre dwelling.
 - a. A resource unit of land less than 160 acres and containing a (preexisting) dwelling, or approved for construction of a dwelling, cannot be adjusted with a vacant resource unit of land for the purpose of qualifying the vacant unit for a 160-acre dwelling;
 - b. A resource unit of land 160 acres or greater and containing a (preexisting) dwelling, or approved for construction of a dwelling, cannot be adjusted below 160 acres with a vacant resource unit of land for the purpose of qualifying the vacant unit for a 160-acre dwelling;
 - c. A resource unit of land 160 acres or greater and containing a dwelling approved as a 160-acre dwelling, or approved for construction of a 160-acre dwelling, cannot be reduced below 160 acres for the purpose of qualifying the vacant unit for a 160-acre dwelling.
 6. Same Designation: A line adjustment shall only be permitted where the sale or transfer of ownership is made between abutting owners of like designated lands, residential lands, commercial lands, industrial lands, resource lands, and estuary zoned lands unless an existing structure encroaches over an existing property boundary or the boundary line adjustment is required to comply with requirements of the State Department of Environmental Quality for a subsurface sewage system.
 7. Property line adjustments are subject to a twelve (12) day appeal period. If appealed, this will be treated as a Planning Director's decision and the procedures in Article 5.8

will be followed. A notice of the decision will be mailed to the applicant and to all neighborhood or community organizations recognized by the County and whose boundaries include the site. Notice of the decision will also be mailed to the owners of record of property on the most recent property tax assessment roll where such property is located:

- a. Within 100 feet of the exterior boundaries of the contiguous property ownership which is the subject of the notice if the subject property is wholly or in part within an urban growth boundary;
- b. Within 250 feet of the exterior boundaries of the contiguous property ownership which is the subject of the notice if the subject property is outside an urban growth boundary and not within a farm or forest zone;
- c. Within 750 feet of the exterior boundaries of the contiguous property ownership which is the subject of the notice if the subject property is within a farm or forest zone.

SECTION 6.3.150 EASEMENTS AND ACCESS:

A line adjustment shall have no affect on existing easements or access. Access shall not be eliminated through a property line adjustment process. If an access is potentially affected then an easement may be created for access to comply with this criterion.

SECTION 6.3.175 MAPPING AND FILING REQUIREMENTS:

1. Map and Monuments Required:

- a. For any resulting lot or parcel ten acres or less, a survey map that complies with ORS 209.250 shall be prepared;
- b. The survey map shall show all structures within ten (10) feet of the adjusted line;
- c. The survey shall establish monuments to mark the adjusted line.

2. Approval and Filing Requirements:

- a. Upon determination that the requirements of this section have been met, the Director shall advise the applicant in writing that the line adjustment is tentatively approved;
- b. Within one year from the date of tentative approval, the applicant shall prepare and submit to the Director any map required by Section 6.2.800(4) and Section 6.2.800(5) if a survey is required. If no map is required, the applicant shall submit proof that the requirements of the tentative approval have been met. The Director shall indicate final approval by endorsement upon the map, if any, or if no map is required the Director shall advise the applicant in writing that final approval has been granted;
- c. Once endorsed by the Director, the map shall then be submitted to the County Surveyor. When the map is filed, the County Surveyor shall indicate the filing information on the map;
- d. A line adjustment shall be effective when the map is filed by the County Surveyor and an instrument (e.g. deed or covenant) is recorded with the County Clerk. If no map is required, then the line adjustment shall be effective when final approval is granted by the Director and an instrument is recorded with the County Clerk;
- e. If a survey is required, the Deed shall be recorded and the Survey Map shall be filed simultaneously. The survey map, with the signature of the Coos County Planning Director shall be submitted to the County Surveyor along with the required filing

- fee. The survey map will be given a filing number which will be added to the Property Line Adjustment deed. The deed will then be recorded whereupon the recording number for said deed will be added to the face of the survey map. Said map will then be filed with the County Surveyor, completing the process.
- f. The property line adjustment deed must be submitted on the exact format found in Figure 1 below.

A. REPRESENTATIONS

Borrower hereby represents to Lender as follows:

1. **Validity of Security Documents.** (a) The execution, delivery and performance by Borrower of the Agreement, this Deed of Trust and all other documents and instruments now or hereafter, furnished to Borrower to evidence or secure payment of the Debt (the "Security Documents"), and the borrowing evidenced by the Agreement, will not violate any provision of law, any order of any court or other agency of government, or any deed of trust, indenture, trust agreement or other instrument to which Borrower is a party or by which Borrower or any of Borrower's property is bound, or be in conflict with, or will result in a material breach of or constitute (with due notice and/or lapse of time) a default under any such deed of trust, indenture, trust agreement or other instrument, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of Borrower's property or assets, except as contemplated by the provisions of the Security Documents; and

(b) The Security Documents, as and when executed and delivered by Borrower, constitute the legal, valid and binding obligations of Borrower in accordance with their respective terms subject to applicable bankruptcy and insolvency laws.

2. **Other Information.** All other information, reports, papers and data given to Lender, or to Lender's legal counsel, with respect to Borrower, the Property, or the loan evidenced by the Security Documents are accurate and correct in all material respects and complete insofar as completeness may be necessary to give Lender a true and accurate knowledge of the subject matter.

3. **Title.** Borrower has good and marketable title in fee simple to the Property free and clear of all encumbrances except for encumbrances of record as of the date of this Deed of Trust. Borrower will preserve its title to the Property and will forever covenant and defend the same to Lender and will forever covenant and defend the validity and priority of the lien of this Deed of Trust.

4. **Litigation.** There is not now pending or threatened against or affecting the Property, nor, to the knowledge of Borrower, is there contemplated, any action, suit or proceeding at law or in equity or by or before any administrative agency which, if adversely determined, would impair or adversely affect the value or operation of the Property.

5. **Environmental Indemnity.** Borrower shall indemnify and hold Lender harmless against and from any and all loss, cost, damage, claim or expense (including, without limitation, any and all attorney's fees or expenses of litigation) incurred or suffered by Lender on account of (i) the location on the Property of any chemicals, material, substance, or contaminant (including, without limitation, oil, petroleum products, asbestos, urea, formaldehyde, foam insulation, hazardous waste and/or toxic waste), the presence or storage of which or the exposure to which is prohibited, limited, or regulated by any federal, state, county, regional, or local governmental unit, agency or authority, or which presence, storage, or exposure may pose a hazard to health and safety or (ii) the failure by Borrower or any prior owner or occupant of the Property to comply with any applicable federal, state, county, regional or local environmental laws, regulations, and court or administrative orders.

B. ADDITIONAL COVENANTS

Until the entire Debt shall have been paid in full, Borrower covenants and agrees as follows:

6. **Payment of Indebtedness.** Borrower shall timely pay and discharge the Debt or any part thereof in accordance with terms and conditions of the Agreement, this Deed of Trust, and the Security Documents.

7. **Funds for Taxes and Insurance.** Subject to applicable law, Lender, at Lender's option, may require Borrower to pay to Lender on the day monthly payments of principal and finance charges are payable under the Credit Agreement, until all sums secured by this Deed of Trust are paid in full, a sum (herein "Funds") equal to one-twelfth of the yearly taxes and assessments (including condominium and planned unit development assessments if any) which may attain priority over this Deed of Trust, and ground rents on the Property, if any, plus one-twelfth of yearly premium installments for hazard insurance and flood insurance, if applicable, all as reasonably estimated initially and from time to time by Lender on the basis of assessments and bills and reasonable estimates thereof. Borrower shall not be obligated to make such payments of Funds to Lender to the extent that Borrower makes such payments to the holder of a prior mortgage or deed of trust if such holder is an Institutional Lender.

If Borrower pays Funds to Lender, the Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a Federal or state agency (including Lender if Lender is such an institution). Lender may require a "cushion" to be maintained in the account equal to one-sixth of the estimated total amount of taxes, insurance, premiums and other charges that are to be paid annually, or such other amount as required or allowed by law. Lender shall apply the Funds to pay said taxes, assessments, insurance premiums and ground rents. Lender may not charge for so holding and applying the Funds, analyzing said account or verifying and compiling said assessments and bills, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Deed of Trust that interest on the Funds shall be paid to Borrower, and unless such agreement is made or applicable law requires such interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Deed of Trust.

If the amount of the Funds held by Lender, together with the future monthly installments of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents, shall exceed the amount required to be paid and maintained for said taxes, assessments, insurance premiums and ground rents as they fall due, such excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly installments of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as Lender may require.

Upon payment in full of all sums secured by this Deed of Trust, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 24 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Deed of Trust.

8. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under the Plan and paragraphs 6 and 7 hereof shall be applied by Lender first in payment of amounts payable to Lender by Borrower under paragraph 7 hereof, second, (in the order Lender chooses) to any finance charges, other charges and collection costs owing, and third, to the principal balance under the Plan.

DEED OF TRUST (continued)

9. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," floods, and such other hazards as Lender may require and in such amounts and for such periods as Lender may require. Unless Lender in writing requires otherwise, the policy shall provide insurance on a replacement cost basis in an amount not less than that necessary to comply with any coinsurance percentage stipulated in the hazard insurance policy, and the amount of coverage shall be no less than the Maximum Principal Balance plus the full amount of any lien which has priority over this Deed of Trust.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided, that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. All insurance proceeds are hereby assigned to Lender and shall be paid to Lender to the extent of all sums secured by this Deed of Trust, subject to the terms of any mortgage, deed of trust or security agreement with a lien which has priority over this Deed of Trust. Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restore or repair the Property, if it is economically feasible to do so.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Deed of Trust.

10. Repair. Borrower shall keep the Property in good order and condition and make all necessary or appropriate repairs, replacements and renewals thereof. Borrower agrees not to permit or allow any waste of the Property or make or permit to be made any material alterations or additions to the Property that would have the effect of diminishing the value thereof or that will in any way increase the risk of any fire or hazard arising out of the construction or operation thereof. Borrower agrees not to alter or remove any structure or fixture in the Property without Lender's prior written consent. Borrower shall prevent any act or thing which might adversely effect or impair the value or usefulness of the Property. If this Deed of Trust is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration of covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and the constituent documents.

11. Restoration Following Uninsured Casualty. In the event of the happening of any casualty, of any kind or nature, ordinary or extraordinary, foreseen or unforeseen, not covered by any insurance policy resulting in damage to or destruction of the Property, Borrower shall give notice thereof to Lender and Borrower shall promptly at Borrower's sole cost and expense, commence and diligently continue to restore, repair, replace, rebuild or alter the damaged or destroyed Property as nearly as possible to its value, condition and character immediately prior to such damage or destruction.

12. Protection of Lender's Security. If Borrower fails to perform the covenants and agreements contained in this Deed of Trust, or if any action or proceeding is commenced which materially affects Lender's interest in the Property, then Lender, at Lender's option, upon notice to Borrower, may make such appearances, disburse such sums, including reasonable attorneys' fees, and take such action as is necessary to protect Lender's interest. Any amounts disbursed by Lender pursuant to this paragraph, with finance charges thereon, at the rate provided in the Plan, shall become additional indebtedness of Borrower secured by this Deed of Trust. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof. Nothing contained in this paragraph shall require Lender to incur any expense or take any action hereunder. Any action taken by Lender under this Paragraph shall not cure any breach Borrower may have committed of any covenant or agreement under this Deed of Trust. Borrower agrees that Lender is subrogated to all of the rights and remedies of any prior lienor, to the extent of any payment by Lender to such lienor.

13. Leaseholds; Assignment of Rents. If this Deed of Trust is on a leasehold, Borrower shall comply with all provisions of any lease. As additional security hereunder, Borrower hereby assigns to Lender the rents of the Property, provided that Borrower shall, prior to acceleration or abandonment of the Property, have the right to collect and retain such rents as they become due and payable. Upon acceleration or abandonment of the Property, Lender, in person, by agent or by judicially appointed receiver shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. All rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by this Deed of Trust. Lender and the receiver shall be liable to account only for those rents actually received.

14. Rehabilitation Loan Agreement. Borrower shall fulfill all of Borrower's obligations under any home rehabilitation, improvement, repair, or other loan agreement which Borrower may enter into with Lender. Lender, at Lender's option, may require Borrower to execute and deliver to Lender, in a form acceptable to lender, an assignment of any rights, claims or defenses which Borrower may have against parties who supply labor, materials or services in connection with improvements made to the Property.

15. Compliance with Laws. Borrower shall promptly and faithfully comply with, conform to and obey or contest by appropriate proceedings in good faith all present, and use its best efforts as to future laws, ordinances, rules, regulations and requirements of every duly constituted governmental authority or agency and of every board of fire underwriters having jurisdiction, or similar body exercising functions, which may be applicable to it or to the Property or to the use and manner of use, occupancy, possession, operation, maintenance or reconstruction of the Property, whether or not such law, ordinance, rule, order, regulation or requirement shall necessitate structural changes or improvements or interfere with the use or enjoyment of the Property.

16. Performance of Other Agreements. Borrower shall duly and punctually perform all covenants and agreements expressed as binding upon it under any agreement of any nature whatsoever that involves the Property including, without limitation, all rules and regulations of a homeowners or condominium association if the Property is part of a condominium, cooperative, phased development or other homeowners association.

17. Inspection. Borrower shall permit Lender, and parties designated by Lender, at all reasonable times, to inspect the Property, provided that Lender shall give Borrower notice prior to such inspection, specifying reasonable cause therefor related to Lender's interest in the Property.

18. Hold Harmless. Borrower shall, at Borrower's sole cost and expense, save, indemnify and hold the Lender, its officers, directors, employees and agents, harmless from any injury, claim, demand, suit, judgment, execution, liability, debt, damage or penalty (hereinafter collectively referred to as "Claims") affecting the Property, or the value of any of the Security Documents, arising out of, resulting from, or alleged to arise out of or result from, any action or inaction by Borrower, except as may be the direct result of Lender's negligence. Borrower

DEED OF TRUST (continued)

shall pay all expenses incurred by the Lender in defending itself with regard to any and all Claims. These expenses shall include all out-of-pocket expenses, such as attorneys' and experts' fees, and shall also include the reasonable value of any services rendered by any employee of Lender.

19. Expenses. Borrower shall pay or reimburse Lender for all reasonable costs and expenses paid or incurred by Lender in any action, proceeding or dispute of any kind in which Lender is made a party or appears as party plaintiff or defendant, involving any of the Security Documents, Borrower, or the Property, including, without limitation, to the foreclosure or other enforcement of this Deed of Trust, any condemnation involving the Property, any action to protect the security hereof, or any proceeding in probate or bankruptcy, and any such amounts paid or incurred by Borrower shall be treated as Advances in accordance with Paragraph 20 thereof.

20. Advances. In the event Borrower fails to perform any act required of Borrower by any of the Security Documents or to pay when due any amount required to be paid by any of the Security Documents, Lender may, but shall not be obligated to, make such payment or perform such act. Such payment or performance by Lender shall not have the effect of curing any Event of Default or of extending the time for making any payment due hereunder or under the Agreement. All amounts so paid by Lender, together with all expenses incurred in connection therewith, shall be deemed advances ("Advances") under this Deed of Trust and the Agreement, shall be immediately due and payable and shall be added to the Debt. Advances shall bear interest from the date expended at the rate specified in the Agreement and shall be secured by this Deed of Trust as though originally a part of the principal amount of the Debt.

21. Use Violations. Borrower shall not use the Property or allow the same to be used or occupied for any unlawful purpose or in violation of any permit or certificate, or any law, ordinance, regulation or restrictive covenant, covering or affecting the use or occupancy thereof, or suffer any act to be done or any condition to exist on the Property or any article to be brought thereon, that may be dangerous, unless safeguarded as required by law, or that may, in law, constitute a nuisance, public or private.

22. Taxes; Liens. Borrower shall pay all taxes, assessments, charges, fines, leasehold payments or ground rents, and impositions attributable to the Property. To the extent these are escrow items, they shall be paid in accordance with the "Funds for taxes and insurance" paragraph. Borrower shall not, without the prior written consent of Lender, create or permit to be created or to remain, any mortgage, pledge, lien, encumbrance or charge on, security interest in, or conditional sale of or other title retention agreement on (whether prior or subordinate to the liens of the Security Documents) the Property or income therefrom other than the Security Documents ("Liens"). In the event Borrower fails to promptly discharge any such Liens, Lender may, but shall not be obligated to, do so and any amounts paid or incurred by Lender (including reasonable attorney's fees in connection therewith), shall be treated as Advances in accordance with Paragraph 20 hereof.

23. Transfer of the Property. Borrower shall not sell, convey, transfer or assign the Property or any beneficial interest therein or any part thereof, whether by operation of law or otherwise, without the prior notice and the prior written consent of Lender. In the event of such a sale, conveyance, transfer or assignment, Lender may, at its option, require immediate payment in full of all sums secured by this Deed of Trust. However, this option shall not be exercised by Lender if exercise is prohibited by applicable law as of the date of this Deed of Trust.

If Lender exercises Lender's option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Deed of Trust. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Deed of Trust without further notice or demand on Borrower.

Even if Borrower transfers the Property, Borrower will continue to be obligated under the Plan and this Deed of Trust unless Lender releases Borrower in writing. As a condition to Lender's consent to any proposed transfer or as a condition to the release of Borrower, Lender may require that the person to whom the Property is transferred sign an assumption agreement satisfactory to Lender and Lender may impose an assumption fee. The assumption agreement will not entitle the person signing it to receive advances under the Plan.

24. Default; Termination and Acceleration; Remedies. If Borrower breaches any covenant or agreement in this Deed of Trust or the Plan, then prior to exercising any right or remedy provided for in this Deed of Trust and prior to acceleration, Lender shall give notice as provided in the Notice paragraph contained herein and as required by applicable law. The notice shall specify: (a) the event of default; (b) the action required to cure the event of default; (c) a date, not less than thirty days (or any longer period required by applicable law) from the date the notice is given to Borrower by which the event of default must be cured; (d) that failure to cure the event of default on or before the date specified in the notice may result in acceleration of the sums secured by this Deed of Trust and sale of the Property; and (e) any other information required by applicable law. The notice shall further inform Borrower of the right to reinstate after acceleration, if applicable, and the right to bring a court action to assert the nonexistence of an event of default or any other defense of Borrower to acceleration and sale. If the event of default is not cured on or before the date specified in the notice, Lender, at Lender's option, without further notice or demand, may declare default, may declare all sums secured by this Deed of Trust to be immediately due and payable, and may invoke the POWER OF SALE and any other remedies permitted by applicable law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute a written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold and shall cause such notice to be recorded in each county in which any part of the Property is located. Lender or Trustee shall give notice of sale in the manner prescribed by applicable law. Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable trustee's and attorney's fees; (b) to all sums secured by this Deed of Trust; and (c) any excess to the person(s) legally entitled to it.

25. Borrower's Rights to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Deed of Trust discontinued at any time prior to the earlier to occur of (i) the fifth day before sale of the Property pursuant to any power of sale contained in this Deed of Trust or (ii) entry of a judgment enforcing this Deed of Trust. Those conditions are that Borrower: (a) pays Lender all sums which would then be due under this Deed of Trust and the Credit Agreement had no acceleration occurred; (b) cures all other events of default under this Deed of Trust and the Credit Agreement; (c) pays all expenses incurred in enforcing this Deed of Trust, including, but not

DEED OF TRUST (continued)

limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Deed of Trust shall continue unchanged. Upon reinstatement by Borrower, this Deed of Trust and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 24.

26. **Condemnation.** In the event of any condemnation or other taking of any part or all of the Property, or for conveyance in lieu of condemnation, all awards or other compensation for such taking shall be paid to Lender for application on the Debt, provided that no such application shall result in additional interest or have the effect of curing any event of default or extending the time for making any payment due hereunder or under the Agreement.

27. **Prior Deed of Trust.** If this Deed of Trust is subject to a prior deed of trust, the lien of which is superior to the lien of this Deed of Trust, Borrower agrees to pay each installment of the debt secured by the prior deed of trust when it is due, whether by acceleration or otherwise. Borrower also agrees to pay and perform all other obligations of the Lender under the prior deed of trust. Borrower agrees to provide Lender with proof of payment or performance under the prior deed of trust whenever Lender requests it. If Borrower fails to pay any installment of principal or interest when it is due or if Borrower fails to pay or perform any other obligation under the prior deed of trust; Lender has the right, but not the obligation, to pay the installment or to pay or perform such other obligation on Borrower's behalf. Any amounts Lender spends in performing Borrower's obligations will become part of the Debt, payable by Borrower on Lender's demand, and will bear interest at the same rate as the Debt bears from time to time. Lender may rely upon any written notice of default under the prior deed of trust that Lender receives from the holder of the prior deed of trust even though Borrower questions or denies the existence, extent, or nature of the default. Borrower shall not renew, extend or modify the prior deed of trust, and shall not increase the debt secured by the prior deed of trust, without Lender's prior written consent.

28. **Survival of Warranties and Covenants.** The warranties, representations, covenants and agreements set forth in the Security Documents shall survive the making of the loan and the execution and delivery of the Plan, and shall continue in full force and effect until the Debt shall have been paid in full.

29. **Further Assurances.** Borrower shall, upon the reasonable request of Lender, execute, acknowledge and deliver such further instruments (including, without limitation, a declaration of no set-off) and do such further acts as may be necessary, desirable or proper to carry out more effectively the purpose of the Security Documents and to subject to the liens thereof any property intended by the terms thereof, to be covered thereby and any renewals, additions, substitutions, replacements or betterments thereto.

30. **Recording and Filing.** Borrower shall cooperate with Lender to cause those Security Documents for which constructive notice must be given to protect Lender (and all supplements thereto) to be at all times recorded and filed, and re-recorded and re-filed, in such manner and in such places as Lender shall reasonably request, and Borrower shall pay all such recording, filing, re-recording, re-filing taxes, fees and other charges to the maximum extent permitted by the laws of the State in which the recording or filing takes place.

31. **Loan Expenses.** Borrower shall pay all applicable costs, expenses and fees set forth in the Agreement.

32. **No Representation by Lender.** By accepting or approving anything required to be observed, performed or fulfilled, or to be given to Lender, pursuant to this Deed of Trust, including (but not limited to any officer's certificate, balance sheet, statement of profit and loss or other financial statement, survey or appraisal), Lender shall not be deemed to have arranged or represented the sufficiency, legality, effectiveness or legal effect of the same, or of any term, provision or condition thereof, and such acceptance or approval thereof shall not be or constitute any warranty or representation with respect thereto by Lender.

33. **Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Deed of Trust granted by Lender to any successor in interest of Borrower shall not operate to release, in any manner, the liability of the original Borrower and Borrower's successors in interest. Lender shall not be required to commence proceedings against such successor or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Deed of Trust by reason of any demand made by the original Borrower and Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

34. **Incorporation of Agreement.** Each and every term, covenant and provision contained in the Plan is, by this reference, incorporated into this Deed of Trust as if fully set forth herein.

35. **Waiver of Homestead.** To the extent permitted by law, Borrower hereby waives the benefit of the homestead exemption as to all sums secured by this Deed of Trust.

36. **Notice.** Except for any notice required under applicable law to be given in another manner, any notice provided for in this Deed of Trust shall be in writing and shall be deemed properly delivered three days after deposit thereof in any main or branch United States Post Office, certified or first class United States Mail, postage prepaid, addressed to each party's address as listed on page 1, or at such other address as may be designated by notice as provided herein.

37. **Covenants Running With the Land.** All covenants contained in this Deed of Trust shall run with the Land.

38. **Successors and Assigns.** All of the terms of this Deed of Trust shall apply to and be binding upon, and inure to the benefit of, the successors and assigns of Borrower and Lender, respectively, and all persons claiming under or through them provided that nothing in this Paragraph shall be construed to permit a transfer, conveyance or assignment other than as expressly permitted by this Deed of Trust.

39. **Multiple Borrower.** Borrower's covenants and agreements hereunder shall be joint, several and primary. Any Borrower who co-signs this Deed of Trust but does not execute the Agreement: (a) is co-signing this Deed of Trust only to deed of trust, grant and convey the Property; (b) is not personally obligated to pay the Debt; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Deed of Trust or the Agreement without that Borrower's consent.

40. **Governing Law; Severability.** The state and local laws applicable to this Deed of Trust shall be the laws of the jurisdiction in which the Property is located. The foregoing sentence shall not limit the applicability of Federal law to this Deed of Trust. In the event that any provision or clause of this Deed of Trust or the Plan conflicts with applicable law, such conflict shall not affect other provisions of this Deed of Trust or the Plan which can be given effect without the conflicting provision, and to this end the provisions of this Deed of Trust and the Plan are declared to be severable. As used herein, "costs," "expenses" and "attorneys' fees" include all sums to the extent not prohibited by applicable law or limited herein.

DEED OF TRUST (continued)

- 41. **Modification.** This Deed of Trust may not be changed, waived, discharged or terminated orally, but only by an Instrument or Instruments in writing, signed by the party against which enforcement of the change, waiver, discharge or termination is asserted.
- 42. **Reconveyance.** This Deed of Trust secures a revolving line of credit and advances may be made, repaid, and remade from time to time, under the terms of the Plan. When according to the terms of the Plan, no more advances will be made, and Borrower has paid all sums secured by this Deed of Trust (or earlier if required by applicable law), Lender shall request Trustee to reconvey the Property and shall surrender this Deed of Trust and all notes evidencing debt secured hereunder. Trustee shall reconvey the Property without warranty to the person(s) legally entitled to it. To the extent permitted by law, Lender may charge Borrower a fee for such reconveyance and discharge and require Borrower to pay costs of recordation, if any.
- 43. **Strict Performance.** Any failure by Lender to insist upon strict performance by Borrower of any of the terms and provisions of this Deed of Trust or any of the Security Documents shall not be deemed to be a waiver of any of the terms or provisions of this Deed of Trust or any of the Security Documents, and Lender shall have the right thereafter to insist upon strict performance by Borrower of any and all of them.
- 44. **Substitute Trustee.** Lender, at its option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.
- 45. **Borrower's Copy.** Borrower shall be furnished a copy of the Plan and of this Deed of Trust at the time of execution or after recordation hereof.
- 46. **Headings.** The headings and the section and paragraph entitlements hereof are inserted for convenience of reference only, and shall in no way alter or modify the text of such paragraphs, sections and subsections.
- 47. **Riders.** If one or more riders are attached to and made a part of this Deed of Trust, the covenants and agreements for each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Deed of Trust.
- 48. **Waiver of Statutes of Limitation.** To the extent permitted by law, Borrower hereby waives statutes of limitation as a defense to any demand or obligation secured by this Deed of Trust.
- 49. **Merger.** There shall be no merger of the interest or estate created by this Deed of Trust with any other interest or estate in the Property at any time held by or for the benefit of Lender in any capacity, without the written consent of Lender.
- 50. **Attorney's Fees.** As used in this Deed of Trust and the Plan, attorney's fees shall include those awarded by an appellate court.
