Attachments: Guide Registration.pdf; 2019-2024CoastGuardLicnese.pdf; ATT00001.txt

Hi,

I'm an Oregon State Registered guide and Inland Master Coast Guard licensed Merchant Marine. I'm been guiding in Oregon for 45 years. I'm adamantly apposed to the Jordan Cove LNG project. This will affect my lively hood. I'm unwilling to give up my public trust rights to Jordan Cove Project during high tide slack. High slack is best time to harvest fish and crabs

Sincerely
Captain Bob Rafalovich

PO Box 1056
Merlin, OR 97532-1056

Thank you for applying for your Outfitter Guide license. We appreciate your cooperation with our requirements. Our goal is that through this process we will continually strengthen the integrity of the Outfitter Guide Program.

Please find below your new registration, along with your decals or tags, if applicable. You are REQUIRED to carry this card with you when providing outfitting and guiding services.

We would like to remind you of a couple of items.

1. Your license notes the expiration dates for your insurance coverage, First Aid and CPR certifications, and your US Coast Guard License. You are required to keep continuous coverage throughout the license period. It is up to you to provide updated, current documents to our office. Therefore, please make note of the expiration dates below.

Liability Insurance:	05/14/2019	CPR Certification:	05/10/2019
USCG MMC or MPBOC:	07/08/2019	First Aid Certification:	05/10/2019

Upon expiration of any of the above items, you are required to carry proof of compliance while guiding and submit the documentation to our office. For a \$5 fee, you may request an updated card.

2. Your guide decal/tag is not an AIS permit. If you have non-motorized boats and sent in your fee for the AIS permit(s), your permit(s) will be mailed separately to you. You must keep the AIS permit with you while guiding.

We wish you a successful guiding season.
