Subject: RE: Please deny Pembina permit extension

Ms. Church,

Is this request before the Coos County Board of Commissioner if not you need to send your email to the City of Coos Bay.

Thank you,

Jill Rolfe

Email is the best way to reach me or my staff at this time. In an effort to prevent, slow, and stop the spread of COVID-19 to our citizens and staff, our office will be limiting business to phone, email and online service. If you are not sure how to access services online, or you have a need that requires in-person assistance, please call our office at 541-396-7770 to discuss. Please keep in mind that response time may vary depending on staffing. Thank you for your patience during this time.

Subject: Please deny Pembina permit extension

This Message originated outside your organization.

Dear Coos Bay City Council,

I am writing you today to respectfully ask you to please deny Pembina a permit extension at your hearing today. This company has not been shown to do the right thing and is only seeking to use and harm our bay and waterways in the name of corporate profit. It isn't fair to any of us Oregonians to expose us to the harmful effects of this project just so they can please their investors and sell Candian fracked gas to Asia. This project is bad for us, it is bad for the Oregon and it is bad for the climate. I love Coos Bay and I enjoy living here and I ask you please to deny Pembina today!

Thank you very much!

Lori Church
