Purpose of the Property Line Adjustment:

to better manage and maintain the forest land on each side of the river.

to correct a property line that isn't useful and is confusing

to better protect the watershed along the East Fork of the Coquille and increase restoration potential

A before and after vicinity map locating the proposed line adjustment or elimination in relocation to adjacent subdivisions, partitions, other units of land and roadways.

A plot plan showing the existing boundary lines of the lots or parcels affected by the line adjustment and the approximate location for the proposed adjustment line. The plot plan needs reflect structures as follows:

1. Within Farm and Forest at least within 30 feet of the property boundaries.
2. Within Rural Residential at least 10 feet of the property boundaries.
3. Within Controlled Development at least within 20 feet of the boundaries.
4. Within Estuary Zones at least within 10 feet of the boundaries.
5. Within Commercial and Industrial within 10 feet of the boundaries.

If there is no development within distance listed above the plan needs to indicate not development within the required distance.

A current property report (less than 6 months old) indicating any taxes, assessment or liens against the property easements, restrictive covenants and rights-of-way, and ownerships of the property. A title report is acceptable ***This shall be for both properties.*** At the minimum a deed showing the current lien holders, reference to easements, covenants and ownership will be accepted for both properties. A notice will be provided to any lien holder as part of this process.
