#### Comments

Driveway access to Parcel 2 off of Barview Blvd. must meet the standards of CCZLDO Section 7.1.425 Access Connection and Driveway Design.

Storage shed in the right-of way adjacent to Parcel 2 must be relocated out of the right-of-way.

Fence located in the Barview Blvd. right-of-way can stay along as it is a minimum of seven-feet from the edge of the travel lane.

Thank you,
