The governing body shall establish fees charged for processing permits at an amount no more than the actual or average cost of providing that service.

CCZLDO	§ 6.1.125	LAWFULLY CREATED LOTS OR PARCELS:
--------	-----------	-----------------------------------

SECTION 6.1.125 LAWFULLY CREATED LOTS OR PARCELS:
 "Lawfully established unit of land" means:

1. The unit of land was created:
 - a. Through an approved or pre-ordinance plat;
 - b. Through a prior land use decision including a final decision from a higher court. A higher court includes the Land Use Board of Appeals;
 - c. In compliance with all applicable planning, zoning and subdivision or partition ordinances and regulations at the time it was created.
 - d. By a public dedicated road that was held in fee simple creating an interviewing ownership prior to January 1, 1986;
 - e. By deed or land sales contract, if there were no applicable planning, zoning or subdivision or partition ordinances or regulations that prohibited the creation.
 - f. By the claim of intervening state or federal ownership of navigable streams, meandered lakes or tidewaters. "Navigable-for-title" or "title-navigable" means that ownership of the waterway, including its bed, was passed from the federal government to the state at statehood. If a waterway is navigable-for-title, then it also is generally open to public use for navigation, commerce, recreation, and fisheries.
2. Creation of parcel previously approved but not acted upon (92.178).
 - a. The governing body of a county may approve an application requesting formation of one parcel if the county issued a land use decision approving the parcel prior to January 1, 1994, and:
 - b. A plat implementing the previous land use decision was not recorded; or
 - c. A condition of approval of the previously approved land use decision requiring consolidation of adjacent lots or parcels was not satisfied by a previous owner of the land.
 - d. An application under this section is not subject to ORS 215.780.
 - e. Approval of an application under this section does not affect the legal status of land that is not the subject of the application.

WIRE FRAUD ALERT

This Notice is not intended to provide legal or professional advice.
If you have any questions, please consult with a lawyer.

All parties to a real estate transaction are targets for wire fraud and many have lost hundreds of thousands of dollars because they simply relied on the wire instructions received via email, without further verification. **If funds are to be wired in conjunction with this real estate transaction, we strongly recommend verbal verification of wire instructions through a known, trusted phone number prior to sending funds.**

In addition, the following non-exclusive self-protection strategies are recommended to minimize exposure to possible wire fraud.

- **NEVER RELY** on emails purporting to change wire instructions. Parties to a transaction rarely change wire instructions in the course of a transaction.
- **ALWAYS VERIFY** wire instructions, specifically the ABA routing number and account number, by calling the party who sent the instructions to you. **DO NOT** use the phone number provided in the email containing the instructions, use phone numbers you have called before or can otherwise verify. **Obtain the number of relevant parties to the transaction as soon as an escrow account is opened.** **DO NOT** send an email to verify as the email address may be incorrect or the email may be intercepted by the fraudster.
- **USE COMPLEX EMAIL PASSWORDS** that employ a combination of mixed case, numbers, and symbols. Make your passwords greater than eight (8) characters. Also, change your password often and do **NOT** reuse the same password for other online accounts.
- **USE MULTI-FACTOR AUTHENTICATION** for email accounts. Your email provider or IT staff may have specific instructions on how to implement this feature.
