Fire District: Bandon RFPD

Please include the supplement application with request. If you need assistance with the application or supplemental application please contact staff. Staff is not able to provide legal advice. If you need help with findings please contact a land use attorney or consultant.

Any property information may be obtained from a tax statement or can be found on the County Assessor's webpage at the following links: [Map Information](#) Or [Account Information](#)

- D. **ATTACHED WRITTEN STATEMENT.** With all land use applications, the “burden of proof” is on the applicant. It is important that you provide information that clearly describes the nature of the request and indicates how the proposal complies with all of the applicable criteria within the Coos County Zoning and Land Development Ordinance (CCZLDO). You must address each of the Ordinance criteria on a point-by-point basis in order for this application to be deemed complete. A planner will explain which sections of the Ordinance pertain to your specific request. The information described below is required at the time you submit your application. The processing of your application does not begin until the application is determined to be complete. An incomplete application will postpone the decision, or may result in denial of the request. Please mark the items below to ensure your submittal is complete.

Application Check List: Please make off all steps as you complete them.

- I. A written statement of intent, attached to this application, with necessary supporting evidence which fully and factually describes the following:
1. A complete explanation of how the request complies with the applicable provisions and criteria in the Zoning Ordinance. A planner will explain which sections of the Ordinance pertain to your specific request. You must address each of the Ordinance criteria on a point-by-point basis in order for this application to be deemed complete.
 2. A description of the property in question, including, but not limited to the following: size, vegetation, crops grown, access, existing buildings, topography, etc.
 3. A complete description of the request, including any new structures proposed.
 4. If applicable, documentation from sewer and water district showing availability for connection.
- II. A plot plan (map) of the property. Please indicate the following on your plot plan:
1. Location of all existing and proposed buildings and structures
 2. Existing County Road, public right-of-way or other means of legal access
 3. Location of any existing septic systems and designated repair areas
 4. Limits of 100-year floodplain elevation (if applicable)
 5. Vegetation on the property
 6. Location of any outstanding physical features
 7. Location and description (paved, gravel, etc.) of vehicular access to the dwelling location
- III. A copy of the current deed, including the legal description, of the subject property. Copies may be obtained at the Coos County Clerk's Office.

I certify that this application and its related documents are accurate to the best of my knowledge. I am aware that there is an appeal period following the date of the Planning Director's decision on this land use action. I understand that the signature on this application authorizes representatives of the Coos County Planning Department to enter upon the subject property to gather information pertinent to this request. If the application is signed by an agent, the owner's written authorization must be attached.

If this application is refereed directly to a hearings officer or hearings body I understand that I am obligated to pay the additional fees incurred as part of the conditions of approval. I understand that I/we are not acting on the county's behalf and any fee that is a result of complying with any conditions of approval is the applicants/property owner responsibility. I understand that conditions of approval are required to be complied with at all time and an violation of such conditions may result in a revocation of this permit. Signatures required below for application processing.

ACCESS INFORMATION

The Coos County Road Department will be reviewing your proposal for safe access, driveway, road, and parking standards. There is a fee for this service. If you have questions about these services please contact the Road Department at 541-396-7660.

Property Address: 87048 Vesta Lane, Bandon Oregon

Type of Access: Public Road Name of Access: _____

Is this property in the Urban Growth Boundary? Select

Is a new road created as part of this request? Select

Required parking spaces are based on the use of the property. If this is for a residential use two spaces are required. Any other use will require a separate parking plan submitted that is required to have the following items:

- Current utilities and proposed utilities;
- Roadmaster may require drawings and specs from the Oregon Standards Specification Manual (OSSC) (current edition).
- The location and design of bicycle and pedestrian facilities shall be indicated on the site plan if this is a parking plan;
- Location of existing and proposed access point(s) on both sides of the road where applicable;
- Pedestrian access and circulation will be required if applicable. Internal pedestrian circulation shall be provided in new commercial, office, and multi-family residential developments through the clustering of buildings, construction of walkways, landscaping, accessways, or similar techniques;
- All plans (industrial and commercial) shall clearly show how the internal pedestrian and bicycle facilities of the site connect with external existing or planned facilities or systems;
- Distances to neighboring constructed access points, median openings (where applicable), traffic signals (where applicable), intersections, and other transportation features on both sides of the property;
- Number and direction of lanes to be constructed on the road plus striping plans;
- All planned transportation features (such as sidewalks, bikeways, auxiliary lanes, signals, etc.); and
- Parking and internal circulation plans including walkways and bikeways, in UGB's and UUC's.

Additional requirements that may apply depending on size of proposed development.

- a. Traffic Study completed by a registered traffic engineer.
- b. Access Analysis completed by a registered traffic engineer
- c. Sight Distance Certification from a registered traffic engineer.

Regulations regarding roads, driveways, access and parking standards can be found in Coos County Zoning and Land Development Ordinance (CCZLDO) Article 7.

By signing the application I am authorizing Coos County Roadmaster or designee to enter the property to determine compliance with Access, Parking, driveway and Road Standards. Inspections should be made by calling the Road Department at 541-396-7660

Coos County Road Department Use Only

Roadmaster or designee: _____

Driveway Parking Access Bonded Date: Receipt # _____

File Number: DR-21-

ADDRESS OF DRIVEWAY #1 CLOSEST TO YOUR NEW DRIVEWAY: _____

DISTANCE FROM DRIVEWAY #1 TO YOUR NEW DRIVEWAY: _____

Is this driveway on the same side of the road as your Driveway: Select

ADDRESS OF DRIVEWAY #2 CLOSEST TO YOUR NEW DRIVEWAY: _____

DISTANCE FROM DRIVEWAY #2 TO YOUR NEW DRIVEWAY: _____

Is this driveway on the same side of the road as your Driveway: Select

The distance information is important from your new driveway to the closest driveways on either side of you (doesn't matter which side of the road) and what the addresses are to those two driveways. This information is important to include in the formula used to calculate the correct address.

Staff from the County Road Department will place the stake and once the driveway stake has been placed, it must not be moved. If your stake is removed or damaged you may purchase replacements.

Additional Notes or directions:

This application is not required.

SANITATION INFORMATION

If this is a request for a recreational, commercial, industrial, vacation rental, manufactured home park, mass or small gathering Coos Health and Wellness, Environmental Health Staff will be reviewing the proposal to ensure the use meets environmental health standards for sanitation and water requirements to serve the facility. If the proposal indicates that you are using a community water system a review may be required. A fee is charged for this service and shall be submitted with the application \$83.00. If you have questions about regulations regarding environmental health services please call 541-266-6720. This form is required to be signed off for any type of subdivision, recreational, commercial, industrial, vacation rental, manufactured home park, mass or small gathering.

Water Service Type: Select

Sewage Disposal Type: Select

Please check if this request is for industrial, commercial, recreational or home base business use and complete the following questions:

- How many employees/vendors/patrons, total, will be on site?
- Will food be offered as part of the an on-site business?
- Will overnight accommodations be offered as part of an on-site business?
- What will be the hours of operation of the business?

Please check if the request is for a land division.

Coos County Environmental Health Use Only:

Staff Reviewing Application: _____

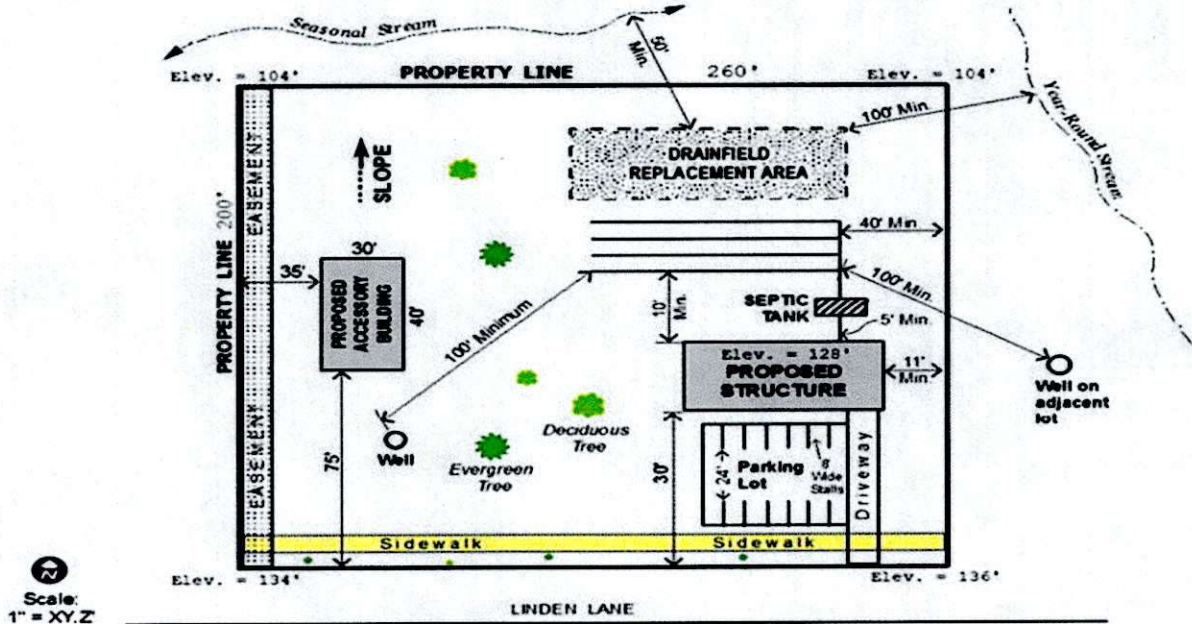

Staff Signature: _____

- This application is found to be in compliance and will require no additional inspections
- This application is found to be in compliance but will require future inspections
- This application will require inspection prior to determining initial compliance. The applicant shall contact Coos Health and Wellness, Environmental Heath Division to make an appointment.

Additional Comments:

Plot Plan
The grid for the plot plan is found on the next page

SAMPLE PLOT PLAN

ITEMS THAT MUST BE ON THE PLOT PLAN:

At a minimum, the site plan should provide information on the following items:

- Existing and proposed lot lines, lot or parcel numbers, and acreage/square footage of lots.
- Dimensions of all illustrated features (i.e. all structures, septic systems, driveways, roads, etc.)
- Significant natural features (slopes greater than 20%, geologic hazards, wetlands, drainage ways, rivers, streams, and the general location of existing trees, etc.).
- Existing easements (access, storm drainage, utility, etc.).
- Existing and proposed (structures, outbuildings, septic, etc.) on site and on adjoining properties.
- Existing and proposed road locations including widths, curbs, and sidewalks.
- Existing and proposed driveway approach locations on site, existing driveway approaches on adjoining properties on the same side of the street, and existing driveway approaches across the street from the site.
- Contiguous properties under the same ownership.
- General predevelopment topographical information (minimum 10' contour intervals).
- Location of utilities.
- If redevelopment is viable in the future, a redevelopment plan should be included.
- Preliminary site utility plan.
- Please add any additional Road or parking items from the parking form.

**ADDITIONAL DRIVEWAY, ROAD, PARKING STANDARDS
DRIVEWAY STANDARDS DRAWING – SINGLE RESIDENCE**

Sight Distance Requirements (at the approach entrance)

- Speed less than 35 mph – 100' both directions
- Speed greater than 35mph – 150' both directions

All Weather Surface – minimum 4 – inches aggregate base or as required by Roadmaster.

Figure 7.1.425

Construct appropriate ditches to prevent water runoff from discharging from the land onto a public road under county jurisdiction. Pursuant to ORS 368.256 the creation of a road hazard prohibited.

If driveway is over 1,000 ft., a pullout is required every 600 ft.

If a driveway cannot meet the maximum 18% grade then a legal agreement may be signed and recorded at the County Clerk's office releasing the County from any liability from such driveway development. This document must be referenced on the property deed to allow future purchasers know that the driveway does meet standard. A sign shall be placed at the bottom of the driveway to warn any users of the driveway that it is not built to standard. Proof must be filed with the Planning and Road Department that the documents have been filed and a sign has been placed. The form located on the following page must be completed, signed and recorded prior to any land use authorizations.

RURAL FIGURES

Driveways Single Residence Figure 1

FORESTRY, MINING OR AGRICULTURAL ACCESS:

A private road which is created to provide ingress or egress in conjunction with the use of land for forestry, mining or agricultural purposes shall not be required to meet minimum road, bridge or driveway standards set forth in this ordinance, nor are such resource-related roads, bridges or driveways reviewable by the County. However, all new and re-opened forestry, mining or agricultural roads shall meet the access standards listed in this section.

Forestry, Mining or Agricultural Access Standard drawing
Sight Distance Requirements (at the approach entrance)

- Speed less than 35 mph – 100’ both directions
- Speed greater than 35 mph – 150’ both directions

All Weather Surfaces – minimum aggregate base as required by the Roadmaster
The access will be developed from the edge of the developed road.

Figure 7.1.450

Construct appropriate ditches to prevent water runoff from discharging from the land onto a road under county jurisdiction. Pursuant to ORS 368.256 creation of a road hazard is prohibited.

VISION CLEARANCE TRIANGLE:

The following regulations shall apply to all intersections of streets and roads within all districts in order to provide adequate visibility for vehicular traffic. There shall be no visual obstructions over thirty-six (36) inches in height within the clear vision area established herein. In addition to street or road intersections, the provisions of this section shall also apply to mobile home park, recreational vehicle park, and campground accesses (entrances or exists).

The clear vision area shall extend along the right-of-way of the street for a minimum of 100 feet where the speed limit is less than 35 M.P.H.; and not less than 150 feet where the speed limit is greater than 35 m.p.h. The clear vision area shall be effective from a point in the center of the access not less than 25 feet back from the street right-of-way line.

Applicant's Response

19 October 2021

Outlined below is the official applicant response for the short-term rental property located at 87048 Vesta Lane, Bandon, Oregon 97411. The aforementioned property adheres to all short-term rental criteria and abides by all county regulations:

- **Number of occupants at one time:**

The residence shall occupy six guests at a maximum; Two guests per each of the two bedrooms, and up to 2 guests for our pullout couch / pullout bed located in the living room.

- **Number of vehicles:**

Although the property has ample space for parking, guests shall be limited to three vehicles during their stay. The covered garage can accommodate parking for 2 vehicles on the property. In addition, there is a separate designated parking space available for cleaning crew or maintenance should they need to use it at a time that coincides with a renter's stay.

- **Large gatherings:**

Large gatherings at the residence are strictly prohibited. Any large gatherings will be shut down by the property owner, guests to be fined and removed from the property- as well as the Wander platform- immediately. Wander manages the residence's security features virtually and can control the entrances, sound systems, and lights from a distance.

- **Property manager including contact details:**

Property manager and point of contact for the residence is Matthew Kowalewski; Cell. 914-482-5224; Email: matt@wander.com. In case of immediate emergencies, Letty and George for assistance (20 minutes away); Cell. 541-297-5220

- **Security:**

Property includes an ADT alarm system, smoke and carbon monoxide detectors in every room, and a RING camera for the door to verify occupants. The property manager has remote access to all of these systems, and can control the alarm system and camera from a distance.

- **Property Layout:**

The property does not have a fencing setup to completely obscure it from neighboring properties. However, there are several trees in the backyard that help provide privacy from neighbors.

- **Cleaning Service and Property Maintenance:**

The property will use the following maintenance crews and cleaning services for routine upkeep;

Weekly cleaning crew: Letty's Cleaners 541-297-5220

Weekly landscaping maintenance: Angles Landscaping 541-404-8339

Bi-Weekly window cleaning: The Helpful Herring 509-334-2334

Plumber on stand by: Averys Plumbing 541-347-3733

Contractor on stand by: Doug Backmans Construction 541-297-3916

- **Additional Details:**

Our vacation rental is not a standard Airbnb/ VRBO. We have developed our own booking platform that caters to the silicon valley remote workers. We have a vetting process that each applicant goes through prior to receiving permission to stay at one of our properties. Although our platform will be available to everyone, we will be personally insuring our home has safe and respectful guests checking in.

- **Coos County Zoning and Land Development Ordinance. Section 4.3.210 Categories and Review Standards (87) Vacation rental/short term rental:**
(a) Shall be found to be compatible with the surrounding area.

The closest neighboring property within 250 ft (Owner: Jack Mueller, 87046 Vesta Ln) was notified on 10/05/21 that 87048 Vesta Lane property will be a vacation rental curated for remote executives.

The residence will host guests who are pre-vetted by Wander manually and given access to the platform's booking features post-screening. Our property is specifically curated for the work-from-home executive; our target audience. We provide full work-from-home stations in every bedroom that consist of; 38" monitors, comfy office chairs, speakers, microphone, and a standing desk. In addition, each property has 1GB of internet speed provided by Spectrum to adequately support the work-from-home environment.

The residence will require a minimum of 1 week stays per booking. We are looking to build the infrastructure to explore the world and work from anywhere, anytime. This Bandon property is the first of several Wander properties, which will expand to an interconnected nation-wide network of remote work homes.

When the residence is booked, a full itinerary will be shared with those staying at the property. This will enable Wander to have oversight on who is staying at the residence and ensure that they are made aware of policies and guidelines, as well as control the amount of people at the residence.

Nearly everything in the property will be controlled through our online application, to include the sound systems. When guests check in, they use the apple to access the driveway, unlock the front door, and turn on the lights. Leveraging the application settings allows the property owner

to have full control over those who have access to the home. Only guests who receive Wander permissions will be allowed to use the app.

If a guest disobeys any of the rules, Wander can retract permissions and rescind access at any point in the guest's stay. This means that they will no longer be in control of the music, internet, TV..etc in the home)

Furthermore, there are pre-set volume limits on everything inside the property, restricting guests from exceeding those limits. The Sonos speakers & the TV are both limited to a certain volume during the day, and further restricted after 8PM to ensure no loud music (or TV) is ever being played or causing noise disruptions at the property.

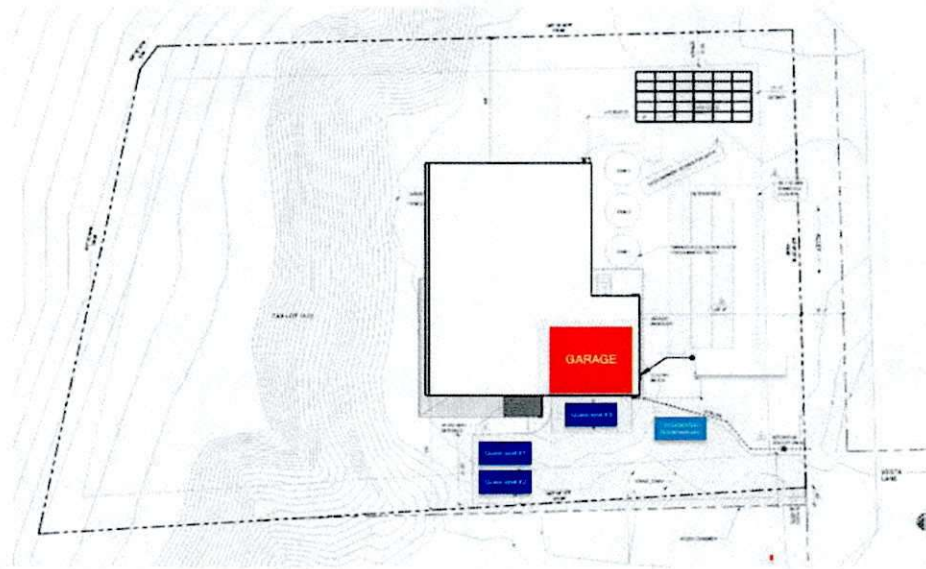

(b) Shall be licensed by the Coos Health & Wellness (CHW) in accordance with ORS 446.310-350;

87048 Vesta Lane is connected to City Water. Our city & power account number is: 61891002

(c) Shall meet parking access, driveway and parking standards

Although the property has ample space for parking, guests shall be limited to three vehicles during their stay. The covered garage can accommodate parking for 2 vehicles on the property. In addition, there is a separate designated parking space available for cleaning crew or maintenance should they need to use it at a time that coincides with a renter's stay.

Site

- a. Shall not be conveyed or otherwise transferred to a subsequent landowner without the new property owner submitting a Compliance Determination Application showing compliance with this section; and
- b. A deed restriction shall be recorded with the Coos County Clerk's Office acknowledging that this is an accessory use to the approved residential use. If located within Urban Growth Boundary further restrictions may be required based on comments from the City.

I am fully acknowledging that the compliance determination application & permit is non transferable with any sale of the property. Additionally, I understand a deed restriction will be recorded with the Coos County Clerk's office stating this is an accessory use to the approved residential use.

Please contact me by phone or email should you have any further questions or concerns.

Sincerely,

Matt Kowalewski
