**EXHIBIT “C”
STAFF REPORT
FINDINGS OF FACT AND CONCLUSIONS**

I. PROPOSAL AND BACKGROUND/PROPERTY HISTORY INFORMATION:

- A. PROPOSAL:** Request for a Land Use Approval through an Administrative Conditional Use to change the use of a Single Family Dwelling to a Vacation/Short Term Rental.
- B. BACKGROUND/PROPERTY HISTORY:**
This property contains a Single-Family Dwelling that was built in 2021 through zoning approval. The Zoning Clearance Letter (ZCL-20-168) was issued June 17, 2020 to site a single family dwelling pursuant to CD-20-042.
- C. LOCATION:** The subject property is located southeast of the community of Hauser. The property is accessed from Kadora Lane. Kadora Lane accesses Highway 101.
- D. ZONING:** The subject property is zoned Rural Residential-2 (RR-2).

ARTICLE 4.2 – ZONING PURPOSE AND INTENT

SECTION 4.2.100 RESIDENTIAL

Rural Residential (RR)

There are two RR zonings: Rural Residential-5 (RR-5) and Rural Residential-2 (RR-2). The intent of the Rural Residential Districts includes justified sites plus "committed" areas. The County's plan prescribes and allocates a finite number of rural dwelling/units/acreage. The zoning ordinance will specify permitted uses and minimum lot sizes.

The purpose of the “RR-2” and “RR-5” districts are to provide for small to medium acreage dwelling sites outside of Urban Growth Boundaries, where a moderate intensity of land development is appropriate, but where urban services and facilities may not be available or necessary.

The “RR-2” district provides for continued existence of rural family life and to provide a transition of densities between urban development and exclusive agricultural and forestry uses.

The “RR-5” district provides for the orderly development of rural land so as to encourage the continued existence of rural family life and to provide a transition of densities between urban development and exclusive agricultural or forestry uses.

- E. SITE DESCRIPTION AND SURROUNDING USES SITE DESCRIPTION AND SURROUNDING USES:** The subject property is located southeast of the community of Hauser. The subject property is located off Kadora Lane. Kadora Lane accesses Highway 101 just south of Hauser. The subject property is surrounded by the RR-2 zone properties and most of the parcels are developed with residential uses.

This property contains a Single-Family Dwelling that was built in 2021 through zoning approval. The Zoning Clearance Letter (ZCL-20-168) was issued June 17, 2020 to site a single family dwelling pursuant to CD-20-042.

F. COMMENTS: Comments were not required for this use as there is no development occurring.

II. PROPERTY COMPLIANCE:

A. COMPLIANCE PURSUANT TO SECTION 1.1.300:

It shall be unlawful for any person, firm, or corporation to cause, develop, permit, erect, construct, alter or use any building, structure or parcel of land contrary to the provisions of the district in which it is located. No any structure shall be issued unless the plans, specifications, and intended use of any structure or land conform in all respects with the provisions of this Ordinance, unless approval has been granted by the Hearings Body.

FINDING: Staff has reviewed the property history and the county files to determine at the time of this report this property is compliant. This does not mean that there is not additional information that was unavailable during this review that would make the properties non-complaint.

B. SECTION 6.1.125 LAWFULLY CREATED LOTS OR PARCELS:

“Lawfully established unit of land” means: 1. The unit of land was created:

- a. Through an approved or pre-ordinance plat;*
- b. Through a prior land use decision including a final decision from a higher court. A higher court includes the Land Use Board of Appeals;*
- c. In compliance with all applicable planning, zoning and subdivision or partition ordinances and regulations at the time it was created.*
- d. By a public dedicated road that was held in fee simple creating an interviewing ownership prior to January 1, 1986;*
- e. By deed or land sales contract, if there were no applicable planning, zoning or subdivision or partition ordinances or regulations that prohibited the creation.*

f. By the claim of intervening state or federal ownership of navigable streams, meandered lakes or tidewaters. “Navigable-for-title” or “title-navigable” means that ownership of the waterway, including its bed, was passed from the federal government to the state at statehood. If a waterway is navigable-for-title, then it also is generally open to public use for navigation, commerce, recreation, and fisheries.

FINDING: This tax lot was lawfully created thru (e) by deed or land sales contract, if there were no applicable planning, zoning or subdivision or partition ordinances or regulations that prohibited the creation (68-12-34338). Therefore, it is a lawfully created unit of land.

III. STAFF FINDINGS AND CONCLUSIONS:

A. SUMMARY OF PROPOSAL AND APPLICABLE REVIEW CRITERIA:

The proposal is for Planning Director Approval to change the existing residential use to a vacation rental.

B. Key definitions:

Compatibility: Compatibility means that the proposed use is capable of existing together with the surrounding uses without discord or disharmony. The test is where the proposed use is compatible with the existing surrounding uses, and not potential or future uses in the surround area. The surrounding area consists of the notification area for the project as set out in § 5.0.900.

C. Criteria and standards for Vacation Rentals

I. Vacation Rentals

A. Section 4.3.200 Zoning Tables for Urban and Rural Residential, mixed Commercial-Residential, Commercial, Industrial, Minor Estuary and South Slough

The table indicates the type of review process that is required. Remember that CU is an conditional use review and the letter prior explain what level of conditional use is required (A = administrative and H=Hearing)

As used in the zoning tables the following abbreviations are defined as:

- “P” Permitted and requires no review from the Planning Department. No review is required but other agencies may have requirements.
- “CD” Compliance Determination review (permitted with standards) with clear and objective standards (Staff review usually referred to as Type I process or ministerial action). These uses are subject to development standards in sections 4.3.22, 4.3.230 and notices requesting comments may be provided to other agencies as result. The process takes a minimum of 30 days to complete. Industrial zones may require additional review. All structures and uses shall meet the applicable Development and Siting Criteria or Special Development Considerations and Overlays for the zoning district in which the structure will be sited.
- “ACU” Administrative Conditional Use (Planning Director’s Decision usually referred to as a Type II Process)
- “HBCU” Hearing Body Conditional Use (Planning Commission, Board of Commissioner or Hearings Officer Decision usually referred to as a Type III Process)
- “PLA” Property Line Adjustments subject to standards found in Chapter 6.
- “P”, “SUB”, “PUD” = Partition, Subdivision, Planned Unit Development that require Land Division Applications subject to standards found in Chapter 6.
- The “Subject To” column identifies any specific provisions of Section 4.3.210 to which the use is subject.
- “N” means the use is not allowed.

The zoning table sets out Uses, Developments and Activities that may be listed in a zone and the type of review that is required within that zone. If there is a conflict between uses the more restrictive shall apply. Section [4.3.210](#) provides an explanation of the use category and the specific criteria that shall apply and if the use is identified as requiring a conditional use. Section [4.3.225](#) General Siting

Standards apply to all regulated Uses, Developments, or Activities, but these are clear and objective standards that do not, in themselves, require a land use notice. Section 4.3.230 Specific Standards list specific siting standards by zones and 4.2.220 Additional Conditional Use Review and Standards for table 4.3.200 contains any additional criteria that applied to a Use, Development or Activity that has been identified by the following table as requiring.

#	Use	Zones													Subject To
		Section 4.3.210 CATEGORIES & Review Standards - 4.3.220 Additional Conditional Use Review - Section 4.3.225 General Siting Standards - Section 4.3.230 Specific Standards

64.	Vacation Rentals (in an existing dwelling)	ACU	ACU	ACU	ACU	ACU	ACU	ACU	ACU	ACU	ACU	ACU	N	N	(87)

FINDING: Vacation Rental reviews are subject to CCZLDO Use Table found in Section 4.3.200(64) Vacation Rentals (in an existing dwelling) subject to an Administrative Conditional Use (ACU) subject to Section 4.3.210(87) Categories and Review Standards – Vacation Rental/short term rental and Section 4.3.220 Additional Conditional Use Review (2) Rural Residential. Siting standards with the exception of parking do not apply to this type of review because there are no new structures proposed with this review.

B. Section 4.3.210 – CATEGORIES AND REVIEW STANDARDS

The following categories provide a definition and specific standards that will regulate the Development, Use or Activity identified in the table above.

(87.) Vacation rental/short term rental - Subject to the following criteria:

- (a) Shall be found to be compatible with the surrounding area.
- (b) Shall be licensed by the Coos Health & Wellness (CHW) in accordance with ORS 446.310-350;
- (c) Shall meet parking access, driveway and parking standards as identified in Chapter VII;
- (d) Shall not be conveyed or otherwise transferred to a subsequent landowner without a the new property owner submitting a Compliance Determination Application showing compliance with this section; and
- (e) A deed restriction shall be recorded with the Coos County Clerk’s Office acknowledging that this is an accessory use to the approved residential use. If located within Urban Growth Boundary further restrictions may be required based on comments from the City.

FINDING: A vacation rental can only be established in an existing dwelling. The subject property contains an existing *Single-Family Dwelling* that was sited in 2021. According to assessment records the dwelling is a three-bedroom Dwelling. The primary criterion for this application is compatibility. As explained above; compatibility means that the proposed use is capable of existing together with the surrounding uses without discord or disharmony.

The purpose of this zoning district is to provide for residential use. Vacation rentals are not considered a residential use so they must show they can be compatible with the residential uses occurring within the surrounding area without discord or disharmony. A Single Family Dwelling unit providing complete independent living facilities for one or more persons, including permanent provision for living, sleeping, eating, cooking and sanitation. A request to use the dwelling for transient occupancy for vacation purposes does increase traffic, parking and related nuisance issues. Therefore, to make the use compatible limitations on occupancy based on the number of bedrooms that are located within the dwelling, limiting traffic and parking volumes to the same level as a Single-Family Dwelling and limiting nuisances will insure the use is compatible.

In determining how many people can be accommodated overnight the calculation is made based on bedrooms within the Single Family Dwelling. A bedroom (ORS 90.262) has a minimum average of two occupants per bedroom. This dwelling is a three-bedroom dwelling; therefore staff will condition this

approval that only six (6) overnight guest shall be onsite. Vehicles on site for the guest shall be no more than two vehicles. This does not account for cleaning service and other related maintenance service or when the property owner is using the dwelling. There shall be quiet times and a clear sign posted with the contact information so neighbors that have complaints may contact the rental service that is managing the vacation rental.

Typically, traffic counts are conducted for a Single-Family Dwelling based on two (2) vehicles so at this time the Vacation Rental will be limited to two vehicles on site when the Dwelling used as a Vacation Rental. If the property is receiving public services for water or sewer a letter from those utility companies is required that there is no limitation on service. Vendors shall be limited to cleaning and maintenance. If a special event is planned by a guest, it shall occur during the day and there may be vendors to serve that specific event. The applicant has stated that Vacation Rental will be maintained regularly, and all restrictions will be enforced.

The applicant has acknowledged that a license and inspections will be completed by Coos Health & Wellness in compliance with ORS 446.310 through 446.350.

The Vacation Rental approval will not transfer to a subsequent owner without a Compliance Determination.

The applicant shall record a deed restriction with the Coos County Clerk's Office acknowledging that this is an accessory use to the approved residential use, this will be made a condition of approval. All conditions shall be complied with as final approval.

C. SPECIAL DEVELOPMENT CONSIDERATIONS AND OVERALYS:

SECTION 4.11.125 Special Development Considerations: The considerations are map overlays that show areas of concern such as hazards or protected sites. Each development consideration may further restrict a use. Development considerations play a very important role in determining where development should be allowed In the Balance of County zoning. The adopted plan maps and overlay maps have to be examined in order to determine how the inventory applies to the specific site

SECTION 4.11.200 Purpose: Overlay zones may be super-imposed over the primary zoning district and will either add further requirements or replace certain requirements of the underlying zoning district. The requirements of an overlay zone are fully described in the text of the overlay zone designations. An overlay zone is applicable to all Balance of County Zoning Districts and any zoning districts located within the Coos Bay Estuary Management Plans when the Estuary Policies directly reference this section.

FINDING: No structural or earth moving development is part of this request; therefore, additional review was not required.

IV. DECISION:

Additional Comments:

Hello, our names are Pamela and Curtis Nodland. We bought this 3bd/2bath, 1940 sq. ft. home at 97607 Kadora Ln. North Bend, Or. and would like to make it a short-term vacation rental. We would like it to occupy up to 8 people per rental stay. There is parking for 2 vehicles and a dedicated parking area for cleaning staff/maintenance. We have the following property management in place:

Vacasa

Contact person is Laura Quiroga.

Contact info: lauraquiroga@vacasa.com, (458)710-0238.

The property has trees and brush surrounding the property line which provides plenty of privacy. There is currently fencing on two sides of the property at this time and there is a plan to fence the yard area.

There is no security in place at this time, however we do hope to install that in the future.

The property is 1.05 acres and provides privacy for tenants as well as the neighbors.

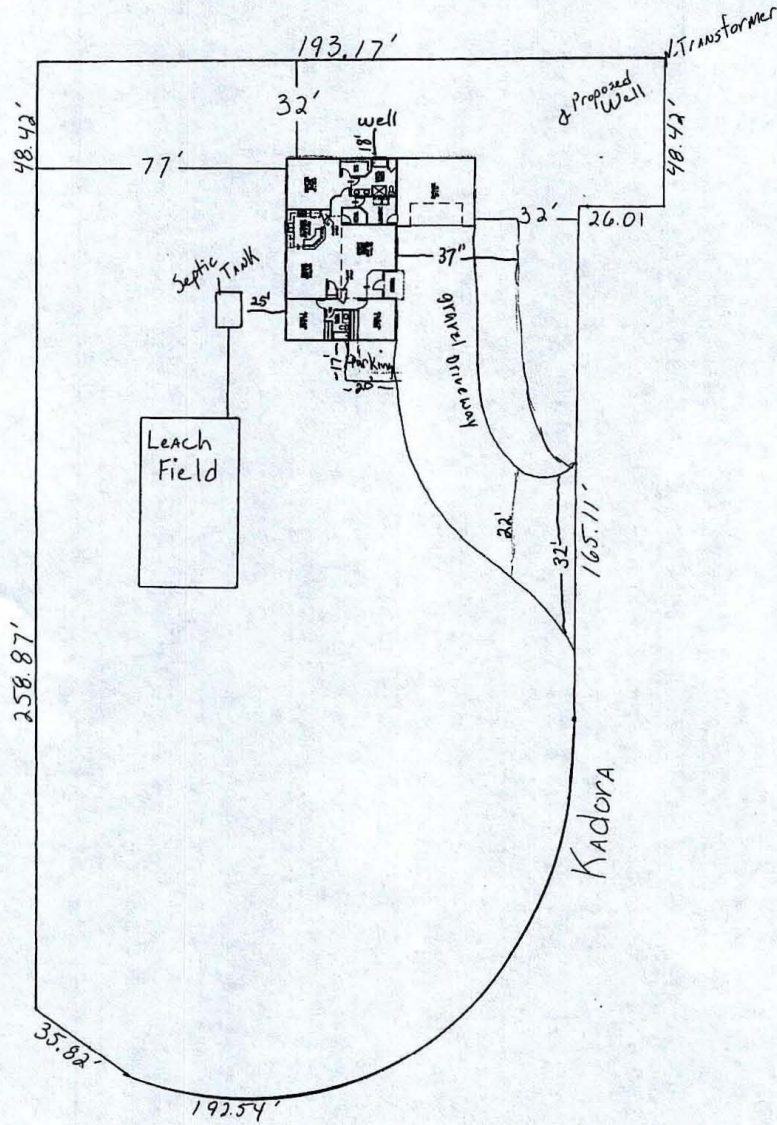

Property management will provide and enforce written rules for tenants as to limit of persons on the property, quiet hours, parking limitations and any other rules that need to be in place.

Sincerely, Pamela and Curtis Nodland

Re: Permit for vacation rental

My home at 97607 Kadora Ln. North Bend, Or. Is 1940 sq.ft. 3 bedroom 2 bath. It sits on 1.05 acres
Which gives us several hundred yds. From surrounding neighbors/properties.

I understand the parking requirements that I must have at least 2 parking spaces for guests and 1
Space dedicated for employees. I further understand that I must be licensed through Coos Health and
Wellness Dept. I also understand that this permit is not transferrable in the event of the sale of said
property/deed.

Thank you, Sincerely, Pamela and Curtis Nodland
